## > FATHER & SON Deuteronomy 6 Package

**“...and when you walk along the way...  
impress these things upon your children.”**

Deuteronomy 6: 7

As churches across the country have been enrolling in our mentoring ministry for the fatherless, one of the most frequently asked questions is, “can I do this program with my own son?” Now the answer is ‘Yes’.

Fathers are desperately looking for “manly” discipleship material that will clearly and intentionally guide them in presenting the Christian faith to their sons while, at the same time, encouraging them to pursue their outdoor passion with their own sons.

The *Fathers in the Field* “Deuteronomy 6 Package” is the perfect solution to this search.

**“Our search is over. The *Fathers in the Field* adventure ministry met both our needs by providing structure for our father and son discipleship program and by supplying a turn-key outreach ministry to engage Christian outdoorsmen with fatherless boys in our community. I strongly encourage you to get the program started in your church.”**

Alright, we got one! Our patience paid off.

Great day together in God's creation with my Dad.

The fishing was great, but I just love being with my Dad
