DEUTERONOMY 6 Package

As churches across the country have been enrolling in our mentoring ministry for the fatherless, one of the most frequently asked questions is, "can I do this program with my own son?" Now the answer is 'Yes'.

Fathers are desperately looking for "manly" discipleship material that will clearly and intentionally guide them in presenting the Christian faith to their sons while, at the same time, encouraging them to pursue their outdoor passion with their own sons.

The *Fathers in the Field* "Deuteronomy 6 Package" is the perfect solution to this search.

"...and when you walk along the way... impress these things upon your children."

Deuteronomy 6: 7

"Our search is over. The *Fathers in the Field* adventure ministry met both our needs by

providing structure for our father and son discipleship program and by supplying a turn-key outreach ministry to engage Christian outdoorsmen with fatherless boys in our community. I strongly encourage you to get the program started in your church."
