

DEFEND THE CAUSE OF THE FATHERLESS

ISAIAH 1:17

fathersinthefield.com

OBJECTIVE

To “heal” the deep, anger filled soul wound that an abandoned boy suffers from and carries with him; thereby stopping the cycle of destruction and abandonment.

THE NEED

50% of this of this country's children - over 25 million kids under 18 - are growing up in homes without their fathers. They live in every community and within reach of every Church.

Given this knowledge, our Heavenly Father will not tolerate inaction. We are called to help the fatherless, and now we can. And, we must.

THANK YOU

It all starts with an intentional commitment into the life of a fatherless boy by a godly man.

Children from **Fatherless** homes are

- A greater threat to society
 - 72% of adolescent murders are committed by fatherless children
 - 60% of rapists come from fatherless homes
 - 85% of state prison inmates come from fatherless homes
 - 70% of juveniles in reform institutions are fatherless
- 30% more likely to abuse drugs and/or alcohol
- Twice as likely to drop out of school
- 11 times more likely to exhibit violent behavior at school
- Dramatically more likely to commit suicide
- More likely to engage in early sexual activity

The Need

Some 13 million boys are growing up fatherless in America—the majority of them carrying deep, damaging wounds of abandonment that threaten them and society.

THE RESPONSE

When a father abandons his child...

A boy naturally says, “I’ll never forgive you!”

Society says, “Forget about him! You don’t need a Dad!”

God says, “Forgive him, so that your Father in heaven may forgive you of your sins.” (Mark 11:25)

The only way to heal the wound of abandonment is through the radical, counter-cultural truth of **FORGIVENESS**

When a boy realizes that he has a Father in Heaven who loves and forgives him, he is empowered to forgive his earthly father and break free from the torment of abandonment.
